D9
ELEGANCE REIMAGINED

Timeless by Design

An elegant silhouette that transcends trends and stands the test of time.

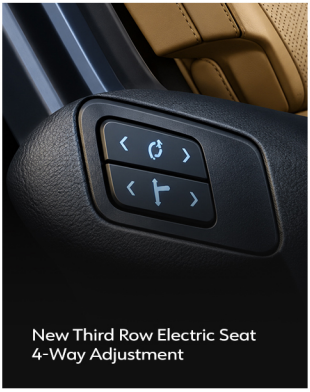
Comfort and Convenience for Every Journey

Designed to deliver exceptional comfort and everyday convenience, with a spacious interior and flexible storage that make every journey more enjoyable for all passengers.

New Automatic Layout
Adjustment All Row

Seating That Adapts to Every Need

New Longer
Third Row Legroom

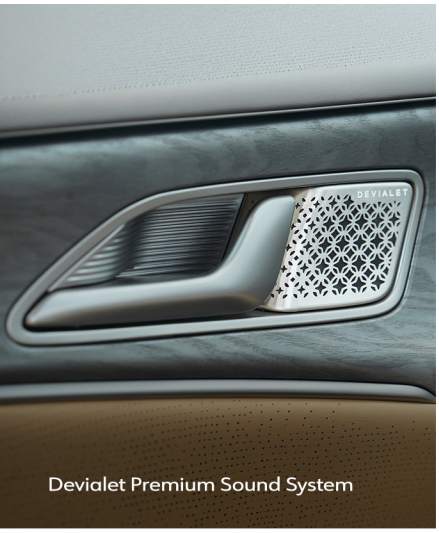


New Third Row Electric Seat
4-Way Adjustment

New First and Second Row Multi-mode
10 Points Massage Seat & Heated Seat Function

The Art of First-Class Driving

A refined driving sanctuary where sophisticated design, intuitive technology, and exceptional comfort come together to elevate every moment behind the wheel.



Devialet Premium Sound System

New Center Console

New DiSus-C Intelligent Damping Body Control System

Intelligent Damping. Refined Comfort. An intelligent damping system designed to adapt to road conditions, delivering a smoother, more refined, and comfortable driving experience

Adaptive Damping

Adjusts damping response to help manage changing road conditions

Enhanced Stability

Helps maintain vehicle stability for greater driving confidence

Time is The Ultimate Luxury

Spend less time waiting and more time enjoying what truly matters

READY IN

5 Minutes

FULL IN

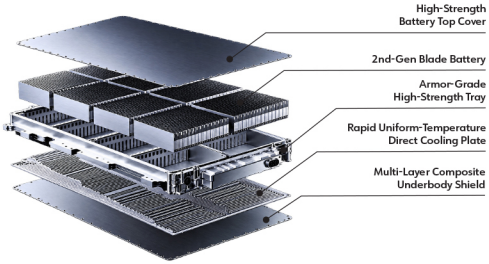
9 Minutes

Powered by 2nd Generation Blade Battery

Designed for fast charging without compromising battery longevity, delivering lasting performance and confidence for every journey.

DRIVING RANGE

730 km (NEDC)



Power With Refined Confidence

Experience effortless acceleration and assured power, complemented by exceptional driving range for smooth, confident journeys near and far.

MAXIMUM POWER

340 kW (462 PS)

MAXIMUM TORQUE

365 Nm

New Child Presence Detection

(CPD)

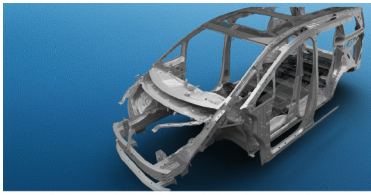
Know when a child is detected in the vehicle, adding an extra layer of reassurance for your family's safety.

Intelligence, Comfort and Peace of Mind

Powered by advanced electric technology, intelligent safety systems, and sophisticated chassis engineering, DANZA delivers a refined driving experience that combines performance, comfort, and confidence, while providing added peace of mind for every journey.

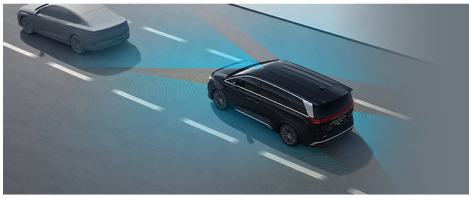
More Airbags (total 9 airbags)

Equipped with a comprehensive 9 SRS airbags safety system designed to protect occupants across all three rows.



Uncompromised Safety

Uncompromising safety with a high-strength steel frame and advanced collision protection.



Enhanced with ADAS

Advanced driver assistance systems enhance safety and confidence, delivering a more reassuring journey every time.
